DEA Prescription Drug Take Back Day

Phoenix PD partnered with the DEA and Walgreens to collect unwanted prescriptions from the public. It was a great success! Thank you to all that helped out!

For more information, please visit:

Giving Back

Recently the Community Action Squad received some athletic equipment such as soccer balls, basketballs, and baseballs from Dick's Sporting Goods. So the CAO's did what they do best...they gave them away to the community!

Thank you Dick's Sporting Goods for this wonderful donation!

Blue Crew

Giving back, that's how the "Blue Crew" works, especially when it's building a home with Habitat for Humanity. The future home owners received help from members of the Laboratory Services Bureau, the Communications Bureau, Records Bureau, Fiscal Management Bureau, Reserve Bureau, Officer Morgan and Officer Nosal from the Desert Horizon Precinct and even members from the community who are retired police officers!

Volunteers cut and assembled framing materials, that will be used in the build process. In addition, a lot was cleaned up for future builds.

Thank you to everyone that dedicated their time and effort to help the young couple get a home of their own! Hats off to everyone who helped; to say you had a hand in building a future for someone, now that is bragging rights!

Midtown Primary School

Recently, the Phoenix Police Foundation donated sports equipment, backpacks, blankets, and diapers to Midtown Primary School. These donations were greatly appreciated by the staff and the community who attend this school during the summer program, as well as year round education.

Thank you Phoenix Police Foundation for this generous surprise.

Drug Bust

Good job to our Neighborhood Enforcement Team (NET)! The NET team, received information that there was an active dealer who had outstanding warrants. They were able to locate and observe the suspects for some time. The NET team finally had enough evidence to complete a traffic stop. After taking them into custody and acquiring a search warrant, officers located over \$22,000 in cash, over a thousand fentanyl pills, about 8 ounces of methamphetamine, and a hand gun.

The phenomenal work by the NET team ensured these dangerous criminals and drugs were taken off the streets and made the city a better place!

Thank you Mark!!!

Mark Belyan wanted to give back to the community, so he donated lunch to the second shift officers at the Sunnyslope substation. Thank you for your incredible donation and positive outlook.

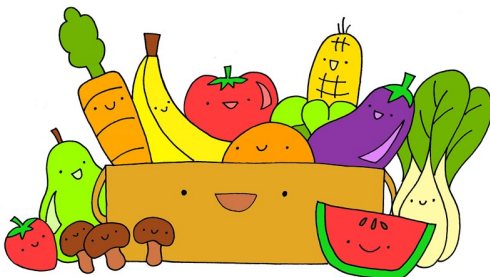

Thank you!!!

A wonderful community member, named Lia donated some tasty treats to the Desert Horizon Precinct and Sunnyslope Substation.

Community member AJ and a few others, donated some delicious snacks to both stations as well.

Thank you to everyone for their support and caring personalities! Your generosity will not go unnoticed.

Upcoming Events

Don't Forget... Kids Need You!

Many officers are becoming foster parents, you can too!

If you would like to learn more about becoming a foster or adoptive parent, please call 1-877-KIDS-NEEDU (1-877-543-7633)

or visit www.azkidsneedu.gov.

Coffee With the Cop
On Wednesdays
