

# Community & Neighborhood Revitalization

**The Sunnyslope Revitalization Coalition** is bringing residents together to uplift and revitalize the community through their partnership with **Habitat for Humanity Central Arizona**.

some services include:

- insulation
- exterior paint
- landscaping
- roof repair
- windows
- HVAC

To get started, the coalition's goal is to raise \$200,000, with the first target being \$30,000 by April 30th. Donations will go directly towards helping repair families' homes or other community projects, and you can help!
