## Happy Thanksgiving Desert Horizon!

In 1621, the Plymouth colonists and Wampanoag Indians shared an autumn harvest feast that is acknowledged today as one of the first Thanksgiving in the colonies. For more than two centuries, days of thanksgiving were celebrated by individual colonies and states. It wasn't until 1863, in the midst of the Civil War, that President Abraham Lincoln proclaimed a national Thanksgiving Day to be held each

November.

This year, on November 28<sup>th</sup>, we will continue the tradition and gather with family and friends for a day of gratitude, feasting, maybe some football and family! No matter how you prepare your turkey, what incredible side dishes you serve or how many pieces of pumpkin pie you share—remember Thanksgiving is truly about the expression of gratitude!

I would like to thank the members of our community for your continued support of our Officers of the Desert Horizon Precinct every day. We truly appreciate each and every one of you. Thank you for your generosity and commitment to make our community a safer place!

## Phoenix PD Supports

Thank you to all who participated in no shave November, which supports PLEA Charities and Prostate On Site Project (POP). With a small donation, officers were allowed to not shave for the month of November in order to support POP and their community. POP is a project that is geared to save the lives of men by education and screening events for prostate cancer on medical mobile units. If you wish to know more, please visit [www.prostatecheckup.com](http://www.prostatecheckup.com).

Along with the no shave November, officers who ordered the pink badges were approved to wear them in support of Breast Cancer Awareness. This is the first time in history that the City of Phoenix Police Department changed color on its badge. Not only are officers authorized to wear the pink badges each October, but with every purchase a portion of the proceeds went to support Breast Cancer Awareness.

Thank you to all who were a part of this history making event!

## Thank you Officer Rich!

Officer Rich Rodriguez works at Mountain View Elementary School as the School Resource Officer. Officer Rodriguez is observed building and maintaining relationships with students from the school. This is about community and the next generation learning that behind the badge is a person that knows why he serves.

## Tips to Ease Stress of Holiday Travel

Holidays are a wonderful time of the year, and it's also one of the busiest times to travel.

If you're planning to fly through America's Friendliest Airport® during this busy time year, Phoenix Sky Harbor has some tips to ease the stress of holiday travel.

- **Arrive early** – a minimum of two hours before your flight and three hours if you're flying internationally.
- **Picking Up or Dropping Off?** Save time and avoid roadway traffic when picking up or dropping off your party by using the 44<sup>th</sup> Street PHX Sky Train® Station. There's also a free and convenient cell phone waiting lot for you to wait. The 44<sup>th</sup> Street Station is located on the southwest corner of 44<sup>th</sup> Street and Washington.

**Reserve Your Parking and Save Money** – Get convenient terminal garage parking and save money by reserving your parking in advance through our Sky Harbor Discount Parking. This money-saving program is also available at the East Economy Lot and Garages A and B. Sky Harbor offers travelers the only on-site parking. Visit [skyharbor.com/parking](http://skyharbor.com/parking) to make a reservation.

- **Keep in Mind 3-1-1.** Remember that you're allowed to bring a quart-sized bag of liquids, aerosols, gels, creams and pastes in your carry-on bag and through the checkpoint. However, these are limited to travel-sized containers that are 3.4 ounces or less per item. And don't forget to look through your purse or carry-on bag for any prohibited items before you come to the airport. Visit [tsa.gov](http://tsa.gov) for information about what can be placed in your carry-on.

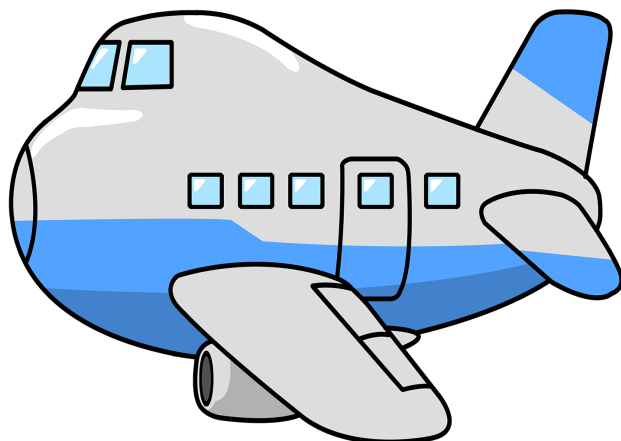

## Continue Easy Holiday Travel

- **Shopping and Dining Opportunities.** Phoenix Sky Harbor has a variety of shopping and dining options both before and after security. Looking for a souvenir with an Arizona flair or seeking a tasty, gluten-free meal? Don't panic – America's Friendliest Airport® has it.
